(+57) 304 256 7008

PROFILE

Transitioning from music technology lecturer to **AI/ML Engineer**.

I bring academic rigor and hands-on experience in **Python**, **Deep Learning**, and **DSP**.

I am a lifelong learner seeking a team to deliver technical value and master industry standards.

SKILLS

- **Programming:** Python (Advanced), C++ (Basic).
- **AI & ML:** TensorFlow, PyTorch, LLM, RAG, Agentic AI, Claude Code.
- **Tools:** Git, Hugging Face, Docker.
- **Audio & DSP:** Librosa, Pure Data, Ableton (Music Production).
- **Languages:** Spanish (Native), English (TOEFL B2).

AI/ML PROJECTS

- **A lo Paisa | System Deployment**
Voice-to-Voice Pipeline for Antioquian Spanish.
Tags: Python, PyTorch, LLM, RAG, Docker, Hugging Face, STT, TTS.
- **FF-Music-LSTM | Algorithmic Composition**
Fusing Final Fantasy music with an LSTM Network.
Tags: Python, TensorFlow, Deep Learning, LSTM, Algorithmic Composition.
- **Neural Style Transfer | Computer Vision**
Image stylization using VGG19 CNN in TensorFlow.
Tags: Python, TensorFlow, Deep Learning, CNN, Computer Vision.

(All available on web portfolio)

EDUCATION

- **M.Sc. in Sound and Music Computing (GPA: 8.7/10)**
Universitat Pompeu Fabra | 2020
Focus: Audio Signal Processing and Deep Learning.
- **B.S. in Electronics Engineering (GPA: 4.3/5.0)**
Universidad de Antioquia | 2015
Focus: Mathematics, Circuit Theory, Programming, and DSP.
- **A.S. in Music Technology (GPA: 4.7/5.0)**
Institución Universitaria ITM | 2010
Focus: Composition, Recording, and Live Sound.

Coursework in progress: GCP, SQL, n8n
(Additional training available on web portfolio)

WORK EXPERIENCE

- **University Lecturer**
Institución Universitaria ITM | 2021 - *Present*
Courses: Recording Techniques, Audio Processing, Psychoacoustics, and Electroacoustics.
- **Singing Tech Intern**
Voctro Labs (Barcelona) | 2019 - 2020
Research and development in singing voice processing: state-of-the-art review, integration of Deep Learning-based singing enhancement systems, database creation, and evaluation.
- **Teaching Assistant**
Universidad de Antioquia | 2014 - 2015
Course: Electric Circuits.
